9/18/67

Dear Mr. Latta,

Many thanks for your letter of 9/14. We are temporarily out of the flyers. They are being duplicated. I'll have them the end of the week and will send out those you suggest. We have also added these people to our mailing list. Of those you suggested, my wife, who is nursing the few copies we still have, has already sent copies to the media people.

I have just finished the rough draft of the text of the fifth book. I think it will excite you. It will have about 800 pages of photo reproduction of once-secret documents.

Many thanks for your help. We sure need it!

Sincerely,
